LUV THE NUG!

Join the nugget revolution!
Scotsman has created a dynamic
new campaign to celebrate 30 years of
nugget ice. As an alternative to hard,
plate-frozen cubes, Scotsman Ice Systems
developed a type of ice that is
completely chewable. Look out for the
Nug truck at a city near you! [Got iphone?](#)

NEW MODEL: NUI30!

This self-contained under counter
nugget machine has an optional
drain pump and a reversable swing
door. It produces 125 lbs. of nugget
ice in 24 hours and stores up to 22
lbs. of ice.
